

WISCONSIN WILDCARDS

WISCONSIN STATE FORESTS

HAVENWOODS STATE FOREST

ORIGIN: The Havenwoods land has seen many changes in the past 150 years—wet woodlands, farmlands, a prison complex, military facilities and, finally, state forest in 1980.

FOREST CHARACTERISTICS: Nestled in the heart of Milwaukee, Havenwoods has 237 acres of green space for you to enjoy! You will find grasslands, woods and wetlands.

ACTIVITIES: Naturalists provide programs year-round for families, schools and youth groups. You can also hike, bike, cross-country ski and visit the nature center.

UNIQUE FEATURE: Butler's garter snake, a species threatened in Wisconsin, calls Havenwoods home!

For Information: (414) 527-0232 (Forest Headquarters, Milwaukee)
